**S**eason 2000-2001 for the National Soccer League promises to be another exciting year.

With our superb grand finale in Perth last season, the action on the pitch will be as competitive and entertaining for the forthcoming season.

We saw a new National Champion crowned, Wollongong Wolves defeating Perth Glory before a record crowd at Subiaco Oval. Adelaide City Force surged into their eleventh straight finals series, with Damien Mori becoming the leading all-time NSL goalscorer. Goals aplenty was the order for last season, with Wollongong Wolves scoring the most amount of goals in a single season.

In the 1999-2000 NSL season, the effort made by the clubs, players and administrators ensured we had more people come and see our beautiful game than ever before. Over 1.5 million fans witnessed some fantastic action and we anticipate this season the clubs will be vying for their attention with even more determination.

With a grand final win now bringing the added prestige and wealth of competing for a spot at the FIFA World Club Championship, another nail biting end to a final series is awaiting us all.

To all of the fans, clubs, players and the media representatives, we look forward to your support and wish you all the best for the forthcoming season.

**I**nternational Entertainment Corporation is excited with our involvement in Australian Soccer and look forward to working closely with Soccer Australia and the National League as their commercial partner in developing the code over many years to come.

The path has been a tough one for all clubs and its supporters over the past few years – but the plans for the future are very encouraging. Despite having many of our elite players in demand and playing at the highest levels overseas, it should not be forgotten that they developed and first displayed their abilities here in our National competition.

The current players have this same capability and are the basis for the progression of the game. As such, we look forward to being part of their future dreams and aspirations.

In line with this, our vision in co-operation with Soccer Australia, is to establish "our game" as the premier sport in the country and subsequently achieve its true potential on the world stage. We look forward to working together with the media in co-developing this vision.

We at IEC welcome the challenge of working with Soccer Australia, the National League and its Clubs to provide the Australian public with a truly professional sporting product of which they will be both excited and proud.

## NSL SEASON 2000-2001 - FINALS SERIES

## NSL MEDIA GUIDELINES:

Soccer Australia welcomes you to the 2000-2001 National Soccer League season, and thanks all media for its support and coverage of our game.

The NSL Media Guidelines are issued to ensure we provide the working media with the best possible opportunity to report both accurately and immediately from each match, and to enable you to fulfill your working requirements.

For us to achieve these goals, we require your co-operation and support. Any issues that do arise during the season should be brought to the immediate attention of the NSL Media and Publicity department or to the respective NSL club Media Manager.

All NSL media enquiries should be directed to the NSL Media and Publicity Co-Ordinator or the Manager - Media, PR and Publicity (Soccer Australia). Full contact details available in the earlier section titled Contacts.

The following individuals act as official spokespersons on behalf of the NSL:

The Chairman of Soccer Australia - Mr Basil Scarsella  
The Chairman of the League Executive Committee - Mr Tony Labbozzetta  
The Chief Executive of Soccer Australia - Mr David Woolley  
The General Manager of the NSL - Mr Stefan Kamasz

## MEDIA ACCREDITATION

Media accreditation for the NSL is only available from Soccer Australia.

The pass for season 2000-2001 is a generic one, with access provided to ALL NSL matches, including Finals Series, but not necessarily to National team or other specific key events - this is explained in the type of pass issued.

Media passes are strictly for personnel employed by the media organization and must only be used while the holder is working for the accredited organization at the game.

Importantly, access to Media Boxes is for working, accredited media ONLY, with preference given to deadline press.

The NSL reserves the right to revoke media accreditation at any stage of the season, for failure to comply with these conditions.

## MEDIA FACILITIES

Clubs are responsible for the provision of a press box, which shall accommodate a minimum of 10 people. Included are tables, chairs, refreshments and coffee/tea making facilities.

In the event of overcrowding in a media box at a game venue, preference will be given to immediate deadline press.

One telephone will be provided, with installation of additional telephones at the request and cost of the media outlet.

A post match conference room will be located near the two dressing rooms, with adequate lighting and power sources for television crews.

## TELEVISION NEWS CREWS AND NON-BROADCASTING RADIO STATIONS:

No television network other than the Host Broadcaster (Seven Network/C7) may shoot any vision inside an NBL venue, including dressing rooms, on match days without obtaining prior written approval from the Host Broadcaster, copy of which must then be forwarded, with original request, to the NSL Media Department, 48 hours prior to such vision being sought.

This incorporates a time frame of two hours prior to kick-off and one hour after the conclusion of the match, but does not apply to after-match press conferences, held in the official post-match conference room.

The post match press conference is open to all news crews and non broadcasting television and radio stations. Conferences shall commence approximately 15 minutes after the full time whistle, with the anticipated presence of the respective coach and captains of each team.

## RADIO BROADCASTS

This season shall see the introduction of "official broadcasters" to the 2000/2001 NSL season. The official licensees will broadcast matches live to the general public from their home state. Any additional stations wishing to broadcast a NSL match must seek the prior permission of the host NSL club, as well as the written approval from the NSL.

It is the responsibility of the official broadcaster to ensure that all requirements for the broadcast, including set up and relay, have been advised in writing to the host Club, at least seven (7) days prior to said broadcast. The National Soccer League accepts no responsibility for the negotiation of broadcast facilities, with the onus on the official broadcaster to ensure all requirements have been met in conjunction with the host Club.

Any person found to be broadcasting an NSL game without being an official broadcaster, will be evicted from the ground, and will have his/her accreditation revoked.

Radio Broadcasts by mobile telephone are strictly prohibited.

## PHOTOGRAPHERS

For the duration of the match, excluding team-line up shots pre kick-off, all accredited photographers must remain behind the photographers line which is located behind the goal lines at each end of the pitch.

The ONLY exception to this rule is Soccer Australia's official photographer, All Sport, who will be clearly identified, and is able to shoot from either sideline, at the discretion of the match officials.

Bibs shall be worn at all times whilst within the perimeters of the stadium and will only be issued to photographers accredited by Soccer Australia.

The use of artificial lighting in the form of flashlight is strictly prohibited.

Disregard of the above will lead to the revoking of Photographers Accreditation.

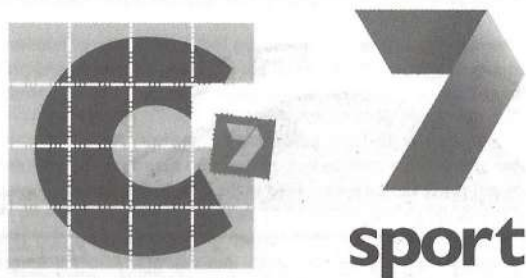

## SUMMARY:

Any abuse of these guidelines may result in the revoking of accreditation, with the accredited organization placing future applications for media accreditation in doubt.

Representatives of the Soccer Australia Media Department and/or NSL Match Commissioners will have the authority at all games to instruct security to evict from the ground, any accredited media representatives not complying with these guidelines.

Soccer Australia also retains the right to revoke media accreditation at its discretion.

# TELEVISION

C7 continues to support the National Soccer League in season 2000-2001, with up to three matches being televised each weekend.

Paul Wade and Robert Wheatley will bring you all the action as the season commences, acting as the main hosts for this year. Joining them as match commentators will be Mike Cockerill and Greg Blake.

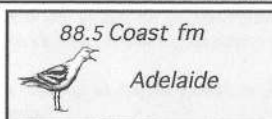

The coverage doesn't stop there, with C7 Sport televising a weekly soccer panel show called "Soccer Central". The program, to be hosted by Rob Wheatley, will go live to air on Wednesdays between 7.30pm and 8.30pm.

Soccer Central will focus on NSL match reviews and previews, interviews with players and coaches from the NSL clubs, with panellists including Paul Wade, Mike Cockerill and Andy Harper. There will also be an international roundup with all the latest results from overseas, including the World Cup qualifiers and UEFA Cup competitions.

## THE NATIONAL YOUTH LEAGUE

The National Youth League (NYL) commenced in 1984 and is now firmly established as the elite competition for Australia's rising stars. The competition is credited with showcasing the talents of Australia's biggest names.

Players such as current LG Socceroos Paul Okon, Mark Viduka, Josip Skoko and LG U/23's captain Brett Emerton and Simon Colosimo to name just a few, began their careers in the NYL.

The competition is played, in the main, by players who qualify by age for the current FIFA World Youth Championships (ie. players born on or after 1 January 1981). This is adjusted every two years to coincide with the next FIFA World Youth Championships.

Last season Carlton defeated Parramatta Power in golden goal extra time to claim the title of National Youth League Champions. Some of the best youth talent in Australia was on display. Parramatta Power had Mark Byrnes and Ahmad Elrich in their starting line-up whilst Carlton had Joshua Kennedy and Daniel Vasilevski.

**NATIONAL GRAND FINAL**  
 Carlton 1 defeated Parramatta Power 0  
 (Debevc golden goal 102')

Carlton finished the Southern Division competition as Minor Premiers and went through the championship series undefeated before clinching the title of National Youth League Champions.

In their first year of competing in the Northern Division, Parramatta Power finished the premiership as minor premiers and defeated Marconi Stallions in the Northern Division Grand Final.

This season's NYL competition will comprise the Northern Division and Southern Division.

At the conclusion of the Premiership Rounds the Top Four placed teams play for their Divisional Championship. The Northern and Southern Divisional Champions then play off in the National Grand Final to determine the National Youth League Champions.
